## UNIFORM POLICY – DRESS CODE

### Rationale

At Glenroy Private our uniform is a sign of our community. It reflects the school vision statement and goals. All families sign as part of the confirmation of enrolment, a consent form supporting the uniform and grooming requirements of our school.

Students wear a uniform:

- To develop a sense of student unity, pride and loyalty to our school and to its vision.
- To de-emphasise differences in appearance.
- To focus on the real purpose of schooling i.e. the development of an individuality of intellect, imagination and personality.

### Aim

The wearing of the school uniform promotes pride in our school and self. Not only when at school but also when on excursions, sporting and cultural events. **Glenroy Private strongly supports the wearing of a school uniform and it is an expectation that all students are correctly attired at all times.** If the student does not follow the school policy he/she will not be allowed to represent the school, participate in non-assessable excursions, leave the ground on a school activity or attend school social functions.

### Procedures

It is the responsibility of all parents to ensure that students are attired in correct, well fitting, complete school uniform. Uniforms must be in good condition and repair. Current uniform is to be worn therefore during school hours, and to and from school.

Staff members conduct a daily check of uniform standards. A uniform note will be sent home should there be any digression from the school's dress code. The note should be returned to school the following day with a parent's signature. If the student is found out of uniform a second time parents will be contacted by the school. The third time parents will be contacted by the school to take the student home to change or to bring the appropriate uniform to school.

If some accident or difficulty prevents students from wearing full uniform on any particular day, parents are required to send a note of explanation to the child's class teacher.

Students are required to attend school in full school uniform every day. Sports uniform can only be worn on sports day.

## Lost Property

No responsibility is taken by the school for lost articles. Parents are most welcome to check for lost items in the lost property collection. We make every effort to have lost items claimed but unmarked, unclaimed items left at the end of each school year will be sold as second hand garments.

All lost property is housed in boxes in the front office area.
