VISION

Glenroy Private believes that good education fosters the skills and attitudes required for lifelong learning and that the learning process can only be successful with excellent preparation.

The school's philosophy is drawn from the teachings of Islam and the belief that every student can flourish. It nurtures knowledge, faith and honesty.

The school also advocates living in harmony with other communities by providing learners with the skills that are required to be considerate and courteous to each other in Multicultural Australia.

MESSAGE FROM CHAIRMAN

All Praise is due to Allah, may Allah raise the rank of our beloved prophet and master Muhammad and protect his nation from which he fears for it.

I am pleased to present the 2021 Glenroy Private Report, the year which witnessed robust growth and enhancement of both primary and secondary education and the quality of teaching and learning exercises.

The Year 2021 has been a very special year with our first Year 11 cohort. The number of students enrolled at GP has progressed to 426 students. Many officials in the education sector and community leaders alike have praised this amazing and rapid growth of Glenroy Private (GP). In fact, this is a testament to the trust and loyalty of the community in the uniquely balanced product that we present to our students at GP.

Glenroy Private provides an education that encompasses many disciplines including very solid Arabic and Religion programs. To provide a curriculum that covers all key learning areas alongside a robust Arabic and Religious curriculum at the same time, is where the uniqueness lies in our educational product at Glenroy Private. In 2021 we have added more classes to the Primary School and the Secondary School to cater for increased demand of parents to enrol their children at the school.

Academically we are continuing to improve our teaching programs and providing our teaching staff with professional development opportunities to enhance their teaching skills and achieve better students' results. This is evidenced in the yearly progress in our NAPLAN results, ongoing school assessments, mid-year and end of year exams. This year we have continued to use the explicit teaching model in all our Primary School classes and have ensured that all teachers have completed their training under their instructional leaders, mentors and coordinators, and consultants from the VRQA. In closing, I would like to thank our whole Glenroy Private staff, parents and students and wish best of luck to our year 11 students who will be the first Year 12 graduates in 2022.

Bilal Halabi
Chairman

MESSAGE FROM THE PRINCIPAL

Praise be to Allah the Lord of the Worlds. To Him belong the endowments and proper commendations. May Allah raise the honour of Prophet Muhammad, peace be upon him and protect his nation from that which he fears for it.

Glenroy Private School (GP) opened its doors in 2012 with 3 pillars encompassed in its motto: Knowledge, Faith and Honesty. It is enlightened by the true knowledge and blessed with the purity of faith, certainty and devotion to the Lord of the Worlds. Since its establishment, it has staunchly retained the sincerity of conduct with parents and students regardless of color, race and social status.

The school follows the path of the best of Prophets (may Allah raise his rank and protect his nation from that which he fears for it) and adheres to his Sunna. Prophet Muhammad (peace be upon him) did not ask his Lord for an increase in money and children, but rather an increase in knowledge (^Ilm). The love of knowledge and the pursuit of education is the focus of the school's administrators and dedicated teachers who work to achieve this goal by instilling it in the hearts of young learners.

The school is aware of the challenges and increased responsibilities that were faced during the COVID-19 pandemic, not only by the school but also by the wider Australian community. The school board is familiar with the mountain of efforts exerted and sacrifices made by staff, parents and students to maintain a positive learning environment in quest of academic excellence. As at all other times Glenroy Private continued to foster the love of the true religious knowledge to protect its students and community from hateful extremism.

Overall, I take this opportunity to note that Glenroy Private maintains to be in an excellent position in delivering pure Islamic education and persists to be in front line in pursuing academic excellence. I wish all Glenroy Private family all the best and we promise to continue growing and flourishing serving our community.

Walid Kamle
Principal

SCHOOL CONTEXT

Glenroy Private is a non-selective co-educational, Islamic faith-based school.

The school is committed to pursuing academic excellence and to fostering individual abilities in a caring and inspiring educational environment. Glenroy Private's motto 'Knowledge - Faith - Honesty' has a powerful and continuing message for the school's community to achieve success by acquiring the necessary knowledge and skills.

The school was first established in Glenroy Victoria, where classes commenced with 34 students Prep – Year Three in 2012 and from there the school expanded and grew rapidly. We have reached 426 students from Prep to Year Eleven in 2021.

The school is multicultural, with almost 100% of students coming from language backgrounds other than English, predominately Arabic. As Arabic and Religious Studies form an integral part of our school curriculum, extra teaching staff for Arabic and Religion are employed for this purpose. Parents and the local community are encouraged to support the school through participation in school programs and ongoing provision of additional school resources.

Glenroy Private is considered to be a major institution catering for the cultural needs of the Muslim community and a school that offers a diverse bilingual teaching curriculum. For this reason, the school has become an attraction to parents who see in it a bright and distinguished future for their children.

STUDENT REPRESENTATIVE COUNCIL

At Glenroy Private, the Student Representative Council is run as a student-based civic body designed to help promote school spirit and leadership among students. It also serves as a bridge between teachers and students, as well as the wider community.

The Student Representative Council (SRC), in its eighth year of operation, had a lot of tasks to fulfil and expectations ahead of them. SRC members and staff were stringent in clarifying the roles and responsibilities of members in 2021 who had the responsibility of representing 426 students.

Year 3-11 students who participated in the Student Representative Council in 2021 maintained a high standard of personal conduct demonstrating leadership qualities by serving as good examples of behaviour throughout the year.

In 2021, our SRC Team was a visible force within the school providing effective leadership and acting as positive role models for their younger peers. The SRC members aided in the coordination of the annual Parent/Teacher meetings, school events and organised assemblies.

All SRC representatives participated in approved activities, which served to enhance the quality of both the physical and behavioural environment of our school.

The Student Council was involved in many community-minded projects throughout the year which included:

- **Recycling:** SRC members devised a student awareness forum regarding the importance of recycling during national clean up Australia Day. SRC members all prepared speeches about the topic at hand and presented it to their peers within their grade groups. Posters were also designed and hung around our school to help promote the importance of recycling.
- **Organised Sports Activities:** SRC representatives modified popular sports games such as Soccer, AFL and the like, by simplifying rules so sports games like these could be played and refereed by students during lunch. The objective of promoting physical activity and good sportsmanship was established through the organisation of these games.

- **Harmony Day:** Harmony Day festivities were overwhelmingly orange, with students displaying their sense of commitment and belonging to multicultural Australia. The day was filled with various fun filled activities like art and craft which were organised by the SRC. A bake stall was also organised for students to enjoy something sweet on the day.

Future Projects

- **Fundraising Activities:** The SRC plans to run more fundraising activities to raise funds for the school. Such as:
 - Lolly drive
 - Craft Sales
 - Tile, art and craft workshop
 - Raffles
 - Read-a-thon
 - Spelling Bee
- **Sport of the Week:** All playground areas will be allocated with play equipment during lunch in an effort to promote productive play. Seniors will have a sport of the week, where sporting events like cricket, soccer and football will be played on the sports oval. SRC members will implement this program via organising and setting up the required equipment on a daily basis to be used by their fellow students.
- **School Environment:** ‘Put your rubbish in the bin, let’s keep Glenroy clean’. SRC representatives will design posters and post them around our school in an effort to promote a cleaner school environment. SRC representatives will engage students with a “Pick Up Rubbish” motto and will give out tokens for their Dojo points as a reward.
- **Social & Emotional Wellbeing:** At Glenroy Private our priority is to formulate our own understanding of our students to produce and protect their social and emotional needs within the school boundaries.

VALUE ADDED INFORMATION

There has been a drive towards enhancing the curriculum in the Primary and Secondary departments and this drive has seen an increase in results and an improvement in student motivation and attitude. The general culture of the school has been very positive as students and teachers alike are focused on the same goals.

The Restorative Behaviour Management System (RBM) which was first implemented in 2012 at Glenroy Private has shown itself to be a very successful model for students' behaviour and wellbeing. All staff are enthusiastic followers of this Positive Behaviour Management System. Whilst the system has been working very well, Glenroy Private has been tireless in its efforts to ensure any minor modifications deemed necessary are implemented. This has been made possible by a continued review process where any areas that are not working at peak efficiency are adjusted. We will continue this process in order to make the learning environment as enjoyable as possible for all teachers and students.

The THRASS program has been operating effectively in the Primary School since the inception of the school. The program targets specific literacy skills that are necessary for students to succeed at school. Where possible, this program is integrated seamlessly into teaching programs to allow the skills learnt to be used in the units that students are studying at the time.

The partnership between teachers and the Learning Support Team in the school has allowed for targeted study skills. These study skills programs are catered for each class and are based on the needs of students. Many students have benefited from the study of timetabling skills as well as specific study skills needed in order for them to be able to study independently without teacher assistance.

The school's open communication with parents has continued to improve. Parents continue to be informed in order to remain informed of the most up-to-date changes. Additionally, teachers are in regular phone and email contact with parents, as well as via Class Dojo to update them on the progress of their children and to answer any queries from the parents.

SCHOOL PERFORMANCE IN STATE-WIDE TESTS AND EXAMINATION

School Performance in National Assessment Program - Literacy and Numeracy

The NAPLAN Assessment Program was cancelled in 2020 due to the COVID-19 pandemic. However, comparing the NAPLAN results of 2019 to 2021. Year 3 and Year 9 students scores shows improvement across Numeracy and all Literacy subjects, Year 5 and Year 7 students maintained almost the same scores as in 2019 with an improvement in Spelling.

SCHOOL POLICIES

Students and parents/guardians are required under the Enrolment Contract to abide by and support the school policies as outlined in the Enrolment Contract. From time to time these policies may change as the need may arise.

Student Welfare Policy

Self-esteem is perhaps the single most important factor in helping a child advance his/her potential. Self-esteem activities are carried out by individual classroom teachers, staff and community at appropriate levels. Therefore, at Glenroy Private all staff members are informed of their legal responsibilities for the care, safety and welfare of the students. In addition, At Glenroy Private we are committed to the welfare of our students through the provision of policies in the areas of:

- Managing complaints or grievances
- Anaphylaxis management plans
- Mandatory reporting procedures
- Emergency management plan
- Critical incident plan
- Accidents and incident register
- First aid policy and procedures,
- Internet use policy and procedures.
- Anti-bullying and harassment

- Providing an adaptable, innovative and professional staff.
- Promoting and strengthening the school's local link.

Anti-Bullying Policy

Bullying is harmful to a child's sense of well-being and self-worth. It is not a normal part of growing up, nor is it part of a "toughening up" process preparing a child for the adult world. Worse still, is the idea that "once a bully, always a bully".

AIM

The aim of this policy is to allow everyone to enjoy a safe, harassment-free school environment and to be treated with respect and equality.

WHOLE-SCHOOL COMMUNITY RIGHTS AND RESPONSIBILITIES

Student Discipline Policy

At Glenroy Private we believe that a stimulating and positive learning environment will encourage good behaviour by the students. Our Restorative Behaviour Management (RBM) program promotes conflict resolution and encourages students to practice self-discipline which involves responsibility, self-monitoring and students analysing inappropriate behaviour and coming up with solutions.

At Glenroy Private our aim is to focus on positive behaviour rather than inappropriate behaviour by rewarding students with merit awards, class incentives, excursions, and fun days. We believe it is more effective for students to evaluate their own behaviour by using the school behaviour expectations matrices.

School Rules/Discipline Code

We have designed Restorative Behaviour Management (RBM) which has been implemented in the classroom and the playground. The school behaviour expectations matrix will be displayed in the classrooms, office, and the hallways. Parents will obtain a copy of the discipline policy and the Restorative Behaviour Management (RBM).

Corporal punishment is prohibited at Glenroy Private.

Any form of physical and emotional punishment, such as hitting, mocking, degrading, and humiliating is prohibited as well. The school prohibits corporal punishment and clearly and exhaustively has listed the proposed School's discipline methods so as to plainly exclude corporal punishment. Glenroy Private does not explicitly or implicitly sanction the administering of corporal punishment by non-School authorities, including parents, to enforce discipline at the school.

GIFTED AND TALENTED STUDENTS' POLICY

This policy aims to identify gifted and talented students and to maximise their learning outcomes at Glenroy Private.

Students identified as 'gifted and talented' must know that the school values their special ability or abilities and will encourage them to pursue new challenges. Teaching, stimulating, and facilitating the development of enriching programs which enable students to develop "to the edge of their ability", will help them reach their potential and maintain their enthusiasm for lifelong growth.

The school will endeavour to provide appropriate support for gifted students as resources permit, taking into account the social, emotional and educational well-being of the students concerned. Families must also recognise their role and responsibility in catering for their

gifted children and work cooperatively with the school to provide suitably enriching programs for their children.

At any stage of the planning, development, and implementation of a policy for gifted and talented students there should be evaluation of:

- the policy.
- school management plans.
- faculty plans.
- teacher programs and strategies.
- student experience and outcomes.

COMPLAINTS AND GRIEVANCES RESOLUTION POLICY

Glenroy Private values the feedback it receives from staff, parents, students and the community. Responding to both affirmative and negative feedback demonstrates the school's commitment to open communication with the School community and general public. Complaints about any aspect of the school's operations, service or personnel will be handled responsively, openly and in a timely manner, with the aim of resolving any complaint via an articulated process and respecting the confidential nature of such matters. Complaints are treated as constructive suggestions that may be used to improve standards and may prevent cause for further complaint.

The location of the full text of Glenroy Private's policies can be accessed by request from the Principal or found on our school website at www.glenroyprivate.vic.edu.au. An appropriate outline of the policy and processes is also provided in the Parent information booklet and the student diary.

ACCESSIBILITY OF AND CHANGES TO POLICIES

To ensure that all aspects of the school's mission for providing safe and supportive environment are implemented, all school policies and procedures were in place during 2017 have been reviewed during 2019. Most policies are available on the school's website at www.glenroyprivate.vic.edu.au.

RESPECT AND RESPONSIBILITIES

The culture at Glenroy private is marked by respectful relationships, with everyone taking responsibility for his or her own actions. Many activities within the school foster civic responsibility and give students the opportunity to contribute to the local community and wider society. A wide range of social activities were developed to promote respect and responsibility in students. Glenroy Private asks all students to recognise that they are valued and that they form an integral part of the school community, with parents and staff providing the care and support that engender self-esteem, mutual respect and responsibility. Being an Islamic school, Glenroy Private takes seriously its requirement to develop pro-social skills within its students, including the development of respect and responsibility.

A clear anti-bullying policy is well promoted within the school through various posters and other written and graphical materials. It is summarised in every student's school diary. When bullies and their victims are identified, appropriate counselling and sanctions are used. Respect and responsibility are typical qualities which are embedded in the teaching of Islamic values such as fairness, honesty, compassion, courtesy and good citizenship to develop positive and productive attitudes that young people need.

PUBLICATION REQUIREMENTS

Refer to page 4 of Glenroy Private's Educational and Financial Reporting Policy. The policy includes information covered by these requirements and is outlined in the 'Annual Report Procedures and Publication Requirements' section of the policy. This includes documented procedures and publication requirements pertaining to:

- Publicly disclosing information. The school's annual report is published, and its availability advertised online on the school's website.
- Providing the school's annual report in an online or appropriate electronic form to the VRQA unless otherwise agreed by the VRQA.
- The school producing a report by no later than 30 June in the year following the reporting year that relates to each school year.

PARENT, STUDENT AND TEACHER SATISFACTION

Glenroy Private has an “open door policy” with parent involvement welcomed. The school strives to maintain and strengthen links with parents and the community, sharing educational and social responsibilities. The school relationship with parents is very productive meeting many objectives due to a close understanding of their concern. Working together in partnership with parents and the community to identify the needs and the priorities helped the school to plan for a better future. Discussion with parents throughout the year indicated that parent satisfaction is extremely positive.

The school treats students and others with professionalism and fairness empowering them with positive attitudes, catering for their needs, stimulating and inspiring them while maintaining order and discipline in their proper perspective. The key issue is to maintain the vision and build a good rapport with students with a firm and positive attitude. Glenroy Private operates a social skills program which provides the students with opportunities to develop skills for life, resilience, effective communication, and conflict resolution. In 2021 throughout many school activities, Glenroy Private has continued to collect data from the students and the data showed high level of student satisfaction that they felt safe and happy.

Glenroy Private works with people and through people to achieve goals that are consistent with the generalised belief system to which the school community has contributed. The level of commitment is generally related to the degree of contribution. Success and effectiveness of the school depends on the quality, commitment and performance of the staff. The school continues to employ suitable and quality staff, recognising quality individuals whose enthusiasm for school-oriented tasks is very crucial. However, an induction program for new staff with a planned professional development program is in place to enhance and further develop staff skills. It is obvious that the school management focused on raising the level of staff commitment by increasing their level of motivation, involvement and satisfaction. Thus, in times of limited resources, commitment will depend on involving staff to ensure that causes of dissatisfaction are removed and that opportunities for satisfaction are increased. Informal feedback from teachers and discussions with the Curriculum Coordinator indicates that during 2020 staff were generally very satisfied in all areas of our school.

SUMMARY FINANCIAL REPORT

The board of Glenroy Private has adopted sound principles of corporate governance to guide its work and to ensure the long-term strength and viability of the school. Glenroy Private has extensively planned and prioritised the expenditure in relation to building project, equipment, maintenance, office procedures and fixed asset purchases. The school is committed to a responsive and accountable management system. Cost analysis will be ongoing in a number of other areas including utilities, capital acquisitions, security and general purchasing. The following financial information represented by graphical representation using percentages of income and expenditure recapitulate the financial status of Glenroy Private in 2021.
